

UNITED STATES TENNIS ASSOCIATION
SOUTHEASTERN MICHIGAN DISTRICT

Southeast Michigan Incentives Create Member Goodwill and Long Lasting Effects in the Schools.

In 2013, our District office invested in many incentives to increase both tennis participation and growth. We did our best to design an incentive for every area in need of assistance, including: 10 & Under Incentives, to encourage the growth of 10 & Under programming; Junior Tournament Rebates to bring down the cost of tournament entry fees for the first time entrant; High School Jr. Membership Promotions to encourage High School tennis players to join the USTA; Adult Membership Referrals, to bring down the cost of membership for new members to our organization as well as encouraging our existing players to get someone new involved in USTA programming; Adult League Loyalty thank you gifts to 5 & 10 year captains; Adult League **New Captain's Raffle to encourage new players to step up into team leadership roles; Community Tennis Association Unrestricted Grants to assist our CTA's with resources to help them in their areas of need; and School In-Service Equipment Packages to help bring tennis to students in these days of ever-increasing budget cuts.**

While all of these incentives were successful, none quite measured up to what we have achieved with our Schools Incentive. The USTA has been offering Physical Education Teacher InService Workshops for years. These are 3-hour workshops designed to teach Physical Education Teachers how simple it is to expose their students to the sport of tennis. There is no cost associated with attending a Tennis InService, and all **Physical Education teachers have an existing racquet segment in their curriculum; however, it's the cost of getting tennis equipment into these schools that has created such a barrier to implementing the sport into their curriculum. Our Schools' Incentive was designed specifically for this purpose. While we cannot get tennis equipment into each and every school in Southeastern Michigan, we can help school districts by providing an equipment package for their districts to use as a lending library between their schools. Our incentive offered each school district attending one of our InServices a FREE \$150 Tennis Equipment Package, which included 20 tennis racquets, 2 dozen foam tennis balls, a DVD Tennis Curriculum, USTA Organizational membership (for future grants and opportunities) and access to discounted equipment to increase their supplies should they have access to additional funds. So far, in the 2013-14 School Year, our District has conducted 7 InService Workshops, training close to 150 Physical Education Teachers who have the potential of exposing 40,000 students to the sport of tennis! Combining exposure to our sport in the school and connecting these students to after-school & community tennis programming, will result in more players trying out for their high school tennis teams, more players in our facilities; and ultimately, more tennis players in our sport of a lifetime. There is no greater investment in our sport, than an investment in our future players!**

While some of these incentives ended in 2013, we will keep some active for the 2014 calendar year, including our Junior Tournament Rebate, League Loyalty, New Adult Member Referral and Community Tennis Association Grants. We will also create new incentives for low-income communities, designed to **put a tennis racquet in every young potential player's hand.** Of course, if you know of a Phys. Ed. Teacher that could benefit from attending one of our InServices, please send them our way.

We hope that you, or someone you know, has been **touched by at least one of our incentives. If not, it's time for you to encourage someone new to join the USTA, enter their first tournament, or maybe even create a Community Tennis Association in your neighborhood to bring tennis and an active lifestyle to those who need it most!**

A letter from the President...

Gail Lewis,
2014-15 Southeast Michigan
District President

I am honored to have been elected president of SEMTA and look forward to an exciting two years in this position. I extend a thank you to past president Mel Kropko, for his dedication, service and for being an excellent referee and umpire trainer.

Our Southeast Michigan District stands out from other districts in many areas, two of which are growth and participation. As a district, we have set these goals and continually work at not only achieving them but going beyond. This is not small undertaking and without dedicated volunteers willing to give of their time and our district professionals in the office, Executive Director Zori Duda, Associate Director Katrina Walker, Adult League Coordinator Deb Thallman and part-time Administrative Assistant Amanda Moccia. They work tirelessly at promoting tennis in the clubs, schools and throughout our community not only in the familiar venues of Adult Leagues, Jr. Team Tennis and Tournaments, but in areas such as teacher trainings in schools, community outreach (Youth Day on Belle Isle), our Court Reporter newsletter just to name a few.

Our district is tasked with many functions involving our officers and board members in addition to the volunteers who all have interest in what's best for our tennis players. Our committees are charged to plan not only for tomorrow, but develop a blueprint of tennis for the future.

I have been a volunteer with SEMTA for many years, serving on the board, umpiring and serving on numerous committees. I have been a member of a local indoor club for many years through my love of the game. I believe in SEMTA, all it represents and the dedication it has to the players in Southeast Michigan. I look forward with great enthusiasm to working with all of you during the next two years.

Let's increase our numbers and grow our 10 and under, they are our future. We will be watching them as they pick up their rackets and hit the courts!!

Gail J. Lewis, SEMTA District President

2014 Southeast Michigan Points Per Round for Juniors

Points are accrued by a player depending on what round they achieve in any tournament. The level of the tournament determines the amount of points accrued (referred to as the "weight" of the tournament). "Byes" do not qualify as wins; however, defaults, retirements, walkovers and withdrawals do (for the advancing player). Please note that tournaments carry different "weights" at the Section level (i.e. a District Level 4 Tournament is a Midwest Section Level 5 Tournament) and have a different Point Table (refer to the Midwest Section Point Table at right).

Southeast Michigan Singles Ranking

A player must play and complete the Southeast Michigan Muthig District Qualifier or two Southeast Michigan District sanctioned tournaments in order to be considered for a final year-end District Ranking.

A player's final ranking will be based on the best 6 tournaments in a specific age group from Jan. 1-Dec. 31st. A player must have earned a minimum of 32 points in an age division in order to be included in the Southeast Michigan District Final Rankings (eligibility requirements must be met).

Standing List: A standing list is a tentative strength listing of players including match results from the previous 12 months. A player must earn 8 points in an age division in order to appear on the Southeastern Michigan Standing List. **A player's best 6 tournaments will be used. Matches played in a player's actual age division as well as any higher age division(s) will be included in the calculation of the Standings.** The Standing List is a rolling calendar (today, back 364 days).

Earned Advancement for 10 & Under Players!

The USTA/Midwest Section has introduced Earned Advancement for tournament players under the age of 10. This is being done to ensure that players are using the appropriate ball, racquet, and court size for their level of play. Within this system, players will have the opportunity to experience appropriate levels of competition at each stage of the USTA/Midwest Junior Tennis Pathway. The rules and regulations put in place will allow players to progress through the different stages at a pace most suitable to the player based on his or her competency, age, participation in competitive play, and results in competition.

Stages of Earned Advancement

Red Ball Tennis to Orange Ball Tennis

Orange Ball Tennis to Green Ball Tennis

Green Ball Tennis to Yellow Ball Tennis

Grandfathered Players Exempt from Earned Advancement

Players with 20 or more USTA/Midwest Section ranking points on the final 2013 USTA/Midwest Section Final Ranking list are not subject to this Earned Advancement policy.

Earned Advancement Tournaments will take place on the second and fourth weekends of every month.

See TennisLink at www.usta.com for a complete list of Tournaments, including Earned Advancement events.

FAQS

The USTA is launching an educational curriculum program, “Coach Youth Tennis,” designed to improve the quality and standards of teaching tennis to kids and to enhance the long-term development of children in the sport.

The program consists of a series of online courses and a hands-on workshop that will introduce participants to the fundamentals required for success in teaching tennis to kids ages 10 and under.

“Coach Youth Tennis” is a collaborative effort between the USTA, the Professional Tennis Registry (PTR), the United States Professional Tennis Association (USPTA), and the United States Olympic Committee (USOC). Those who complete the program can go on to gain professional certification from both the PTR and USPTA certification programs.

*Beginning in 2014, all individuals
who wish to become certified teaching professionals
will need to complete the “Coach Youth Tennis” curriculum.*

The educational curriculum establishes a set of standards for tennis teachers and coaches, ensuring that children will be taught the proper essentials of the game.

Go to www.coachyouthtennis.com to take the on-line courses and then join one of these currently scheduled On-Court workshops:

- March 22 Ft. Wayne, IN Cost \$15
- April 1 Chicago, IL Cost \$15
- June 1 Holland, MI Cost \$15

See website for complete details and newly scheduled workshops. For workshops targeting 11-17 years, please visit uspta.com or ptrtennis.org today!

Southeast Michigan's Newest League Opportunity...

Winter Team Tennis

A Fun, New League for 18 & Over Players

In an effort to offer something fun and innovative to our 18-39+ year olds during the winter months, our District League Committee came up with a mixed gender league using the World Team Tennis format of team singles, doubles and mixed doubles—Winter Team Tennis!

With 18 new teams across 3 divisions of combination ratings (6.5, 7.5 & 8.5), we are excited about how well this league was received and the growth we foresee in future seasons.

For the first time, this league was made available to non-USTA members and active members alike. Matches were played on Sunday, and ran from February through April.

Combo Doubles District Championships

Our Southeast Michigan Championships for Combo Doubles and 40 & over Mixed were held on two weekends in January. A snow storm forced the reschedule of our first weekend's matches but Life Time Fitness let us reschedule to the following Sunday, January 12th. The second weekend took place at Wimbledon on January 18-19th.

State Championships were held in Grand Rapids (January 25-26th) where all of our Women's Combo teams won and advanced to the Midwest Championships in Fort Wayne, producing Sectional winners in the 6.5, 7.6 and 8.5 Women's divisions. Since there were no other Men's Combo teams in Michigan, our Men's Combo teams advance directly to Fort Wayne where our 8.5 Men's team was victorious.

is given to a USTA League player in the Southeast Michigan District who best reflects the qualities that Darlee exhibited as a captain, player and supporter of the USTA League program: honesty, sincerity, loyalty, good sportsmanship and leadership with a commitment to growing tennis.

PREVIOUS RECIPIENTS:

2013—**Dionell "Janell" Guanco**

2012—Rachel Ekizian

2011 – Mike Sheridan

2010 – Joe Arsenault

2009 – Chris Greig

DEADLINE FOR NOMINATIONS: OCTOBER 1, 2014

GEORGE GRISDALE – 2013 recipient of the USTA/ Midwest Section's most prestigious award!

The Mel Bergman Award, is given in recognition of continuous and distinguished service to the USTA/Midwest Section in an unselfish, dedicated manner for ten years or more.

George Grisdale served as SEMTA Executive Director in the 90's and is a 20+ year volunteer at the District, Section and National levels. He has been a member of several Midwest committees over the years including: Adult Recreation, Communications, Advocacy and Grants, Adult Competition, Information Technology and Nominating. He currently serves on the Midwest Section Bylaws Committee and has been a familiar face at the US Open Membership Booth for the past 15 years.

George has been an active player in the USTA League program for many years, but more importantly, he has been instrumental in recruiting volunteers into giving back to the sport he loves so much – TENNIS! George continues to make tennis truly the sport of a lifetime in so many ways!

Congratulations, George!

Winter Tune-Up for Detroit High School Tennis Players

Southeast Michigan Board Member Maxine Kennebrew organized an all-city tune up for the Detroit Public School tennis players in January. "It was supposed to be all girls, and then I had to get some strong players for the Cass High School girls, so we added some boys from Southfield High School. It was so much fun and the WSU guys did an awesome job with them!" The clinic was held at Wayne State University's multi-purpose building with the help of the Wayne State Men's team, who ran the players through stations where they rotated through the four courts and the indoor straight track where they did footwork and conditioning.

In Memoriam... TED JAX

Ted Jax passed away recently at the age of 81 years, having been in declining health this past year battling Alzheimer's and complications from diabetes. Ted was at the heart and soul of the Hoxie Tennis scene in Hamtramck. Jean Hoxie had the best tennis players from all over the world playing in her "academy" and Ted was a vital part in one of the greatest tennis success stories ever in our area. He was the first indoor tennis pro at the Bloomfield Tennis House and he had the "pick of the litter" of the first wave of indoor tennis clubs that were built in the early 1970's which was at the beginning of the tennis boom, the likes which have never been seen again. He chose the Dearborn Indoor Racquet Club (now Dearborn Racquet and Health Club) and along with a host of "Hoxie Pros" ran one of the top junior programs in Southeastern Michigan. That program also included the best players in the city of Detroit brought in by great

A young Ted Jax (at right) was already playing tennis under the tutelage of the great Jean Hoxie (center). Pictured here in 1943.

tennis coach Eddie Frasier. Jax was well known for greeting members with a big hello and "let me buy you a cup of coffee" (the coffee, of course, was free and he made everyone feel at home). Ted also was the Director of Tennis at Orchard Lake Country Club for a very long time and was active in SEMTA during the time of local tennis legends Larry King, Wes Muthig and Wes Richards. He played a big role in the success of the Virginia Slims and Avon women's professional tour that was a huge success in Detroit, working closely with the Junior League of Birmingham and the local community to supply ball kids, umpires, etc. for that event. Jax was a humble man who did not speak or boast about his tennis playing - but he was "a player" and won the National 12 Indoor Championships beating Tony Trabert. He played all the major national and international junior tennis tournaments and had great success and played at the collegiate level at the University of Detroit. He was inducted into the Michigan Amateur Sports Hall of Fame for his contributions to tennis which were vast and little known. Those in the national "tennis scene" knew Ted and he had enjoyed a long successful career in the sport he loved and affected positively in so many ways. He is survived by his wife Irene and a wonderful family that he was proud of that meant everything to him. Ted was the "Babe Ruth" of tennis --- a larger than life figure known for his charisma and friendly personality and the aura and confidence of a champion and a great guy---which he was.

COMMUNITY SPOTLIGHT:

Community Outreach sparked by volunteering at Metro Detroit Youth Day

In September of 2013, Kathryn Dunleavy embarked on a journey to bring tennis for the first time to Most Holy Trinity School (MHTS) in downtown Detroit (about two blocks from the old Tiger Stadium at Michigan and Trumbull). This was the first exposure to tennis for many of its students.

This all began with volunteering to help out at the Metro Detroit Youth Day on Belle Isle in July. **As Kathryn described it, "It was so much fun, I thought about the possibility of bringing tennis to The Most Holy Trinity Grade School where my Aunt Sheila is principal and is always speaking about the need to help her students become more active and lead healthier lives."**

Kathryn borrowed equipment from our District office and our Tennis Service Rep., George Lowe, trained her and her fellow tennis teammates from Mercy High School. She also took advantage of a USTA/Nickelodeon offer to obtain free equipment for the school - the first time the school ever had tennis racquets in their inventory of athletic equipment!

Twenty students put their heart and soul into each lesson, capped off with a party at Franklin Athletic Club, where each player was greeted by The University of Detroit

Kathryn Dunleavy with one of the students from Most Holy Trinity.

Women's Tennis Team and participated in a mini-tourney, complete with pizza party, certificate of recognition and a bag full of goodies that included a free racquet, a tennis hat, tennis balls, a backpack and bag tags (generously donated by Franklin Athletic Club and The Tennis & Golf Company).

Kathryn was quick to point out, "this program would not have been as successful without the love and support of so many other people and the corporate sponsors who willingly contributed their time, resources and effort." We're quick to point out, "this program wouldn't have occurred without the great community convictions of young players like Kathryn."

Southeast Michigan's Tennis Achievements Honored at our 2013 District Awards Banquet

Last November at our Annual Awards Banquet, our District took time to acknowledge some of our young players and adults who exemplify the good in tennis.

THE HOXIE AWARD

The Jean and Jerry Hoxie Memorial Award is given to a young male and female tennis player in Southeast Michigan who has made a great contribution to the game of tennis through their good sportsmanship and achievements both on and off the tennis court.

2013 Female Hoxie Award Recipient:
MOLLIE FOX

While Mollie started playing tennis at age 6, she has saved her best for last - racking up major victories against some of the Midwest's top players in her 16s and 18s. Securing third place at the 2013 Muthig District Qualifier, as well as a finalist in 2012, Mollie also represented Southeastern Michigan at the Marian Wood-Baird Cup event in June.

Mollie's high school tennis accomplishments include capturing the #1 Singles title in the 2013 State Championships. An All-County, All-State, and team MVP three times; in 2013, she became the Varsity Team Captain. Voted Athlete of the Week by the Oakland Press, and Oakland Activities Association Scholar Athlete, Mollie is obviously a dedicated and accomplished student-athlete.

What sets Mollie apart from her peers, are not only her tennis achievements and scholastic accolades, but her outstanding reputation for sportsmanship. From her early days of sportsmanship wins at the 12 & Under Zonal Championships in 2008, Mollie has won Midwest Sportsmanship Awards an impressive six times from 2009-2013.

Carrying a 4.0 GPA for the past six years, Mollie sits at the top 1% of her class. She is a member of the National Honor Society, Vice President of the Key Club, and founded the Bloomfield Hills High School Mock Trial Team. Participating in the High School's Model UN Program as well as the National Washington Scholar through George Mason University, Mollie was also chosen by the school to participate in their yearly Communication and Leadership Conference.

Despite her busy academic schedule, Mollie still finds the time for extracurricular activities and volunteer work, including Gleaners Food Bank and the

Michigan Humane Society. She also tutors students in English and math and helps out at local 10 & Under tennis tournaments. Mollie is also a creative artist, earning a Silver Art Key for her work.

Mollie lives in Bloomfield Hills with her parents and sister, Madelyn. She is currently awaiting word from Harvard, where she would continue tennis while pursuing an education in English and Government.

Award was presented by Mollie's private coach, Armand Molino.

2013 Male Hoxie Award Recipient:
MAXIMILIAN FLIEGNER

Max has had an outstanding junior tennis career in Southeastern Michigan. He was ranked #6 Nationally in the Boys 14s, captured 2 National Open singles titles in the 16s, and is our current Boys 18s Qualifier Champion. Max has represented our District on both the 14s Co-Ed and 18s Boys Midwest Cup Team, even providing the winning point in our Midwest Team Cup victory this past summer. Max's high school tennis accomplishments include being named to the All-County and All-States team, as well as the High School All-American team for the 2012-13 academic year. In 2012, Max was State High School Champion at #1 singles while leading this team to the Division III State Title. With a long tradition of excellence in tennis, this 2012 Detroit Country Day team became the greatest team in the school's history, and the brotherhood that Max developed with his teammates that year, was something he will never forget.

Due to his demanding travel and training schedule with the sport of tennis, he enrolled in the International Academy's home schooling program, only to ask his parents to return to a traditional school environment. He missed the interactive setting of

students and teachers. Such a transition in the middle of a school year might be difficult for any student, but Max thrived. In his first full year at Detroit Country Day, Max was able to enroll in all AP and Honors courses, and maintained all A's. Max carries a 4.0 GPA and his contributions in the classroom have a positive effect on those around him.

Through all of these achievements, Max has still found the time to be an incredibly accomplished musician, prolific at the guitar (with talent on the bass and drums as well). Max currently resides in Clarkston with his parents and sister, Julia. He will be attending Dartmouth College in the fall, where he will play tennis while pursuing a degree in Pre-Med and Music.

Award was presented by Max's private coach, Armand Molino.

WILLIAM F BEYER AWARD

The William F. Beyer Award (named after one of the first SEMTA presidents) is given to an individual who has contributed Immeasurably and unselfishly to tennis.

2013 Beyer Award Recipient:
BARBARA WASNESKI

For Barbara Wasneski, what started as a University of Michigan graduation requirement, led to a life-long love of tennis! In the 1970s a basic physical education class introduced her to a sport that she has supported for over 40 years as both a volunteer and a player.

In the 1980s, Barbara began playing recreational tennis through participation in USTA Leagues, the Great Lakes League, Friday club travel leagues and the Ann Arbor City Tournament. Through these tennis opportunities, she met new friends and formed a deeper love of the sport. Tennis also played a part in her life when she and her husband, John McReynolds, were on sabbatical in Germany. The local tennis club offered an opportunity to meet other tennis players and form new friendships.

In 1999, Barbara attended a meeting with fellow tennis enthusiasts. At this meeting she became a founding member of the Ann Arbor Area Community Tennis Association (AAACTA). This organization received the **Midwest Section's CTA of the Year Award** in 2010 and remains one of the most active CTAs in Michigan. Barbara served as Treasurer of AAACCTA for over 10 years. She currently serves as President.

During her time with AAACCTA, she has been highly involved with three of their premier programs.

- Co-Coordinator – Ann Arbor Middle School Program
- Program in its 12th year; free 7-week program in six middle schools; nearly 200 students yearly; concludes with all-school tournament
- Co-Chair – Ann Arbor City Tournament
- Co-Director – Ann Arbor Junior Tournament

Barbara has spearheaded AAACCTA fundraisers. The most recent was for ALS and was a tribute to George Peapples, a fellow tennis player who passed away in 2012. Other fundraisers have donated money for Hurricane Katrina victims and for earthquake victims in Haiti.

Being semi-retired from her home-based accounting business allows Barbara to spend more time with her husband and her step-daughters' families which include three grandchildren. She also enjoys golf, gardening, hiking, celebrating International Talk Like a Pirate Day (September 19th), and crafting unusual **structures with pumpkins.** Barbara's other interests include non-tap, tap dancing; contemporary art, music and theater.

Award was presented by Helen Peters, Past SEMTA President.

DARLEE TOWLER AWARD

The Darlee Towler Memorial Award is given to a USTA League player in the Southeast Michigan District who best reflects the qualities that Darlee exhibited as a captain, player and supporter of the USTA League program: honesty, sincerity, loyalty, good sportsmanship and leadership with a commitment to growing tennis.

2013 Towler Memorial Award Recipient:
USTA League Captain,
DIONELL "Janell" GUANCO

Dionell "Janell" Guanco grew up in Bloomfield Hills, but has spent much of his adult life in Los Angeles. About eight years ago he moved back to the metro Detroit area, put his passion for golf aside and took up playing tennis. He met Englishman Mark Cornish, who introduced him to Peachtree Tennis Club, and Bill Wodecki who encouraged him to play tennis daily. Daily summer tennis with the Peachtree guys turned into playing house leagues and attending the clinic drills. Both Mark and Bill encouraged Janell to sign up for his first USTA Men's team.

After playing on Bill's men's 3.0, team, Janell decided to captain his own team. The competitive spirit and promotion of tennis in our area really resonated with Janell. **Captaining one men's team led to him captaining combo teams and mixed teams. It didn't take him long to establish himself as a reliable, consistent USTA captain at the club. He has captained Men's 3.5 and 4.0 teams, Mixed 7.0 and 8.0, and Men's Combo for 7.5 and 8.5 levels.**

Janell has a gift for easily making friends, and it shows in the number of players who play on his USTA teams. New friendships and interacting with **interesting people are Janell's highlights of being a USTA captain.** A winning USTA team is always a thrill, but Janell encourages all players to challenge themselves on the court. Janell understands that promoting tennis is not only for love of the game, **but for each player's individual self discovery as an athlete.**

Janell is a writer and film producer. His career allows him to travel often between Michigan and Los Angeles. He is a graduate of Michigan State University, and the University of Hawaii. Janell enjoys playing polo, traveling, and is an avid reader. Also because of USTA, he finally found that special person to share his time with and eventually settle down.

2013 Kaspers' Scholarship Recipients:

ALEXANDRA D'ASCENZO

Alex has been involved in tennis as long as she can remember! So much so that selecting a favorite memory or experience **would be "pretty much impossible."** Travelling to Midwest and National tournaments, she did indicate that tennis has taken her places, both literally and figuratively, she otherwise would not have been able to go. As many have experienced, the camaraderie developed with fellow players, coaches and parents is a memory that will last a lifetime.

Alex attended the Frankel Jewish Academy in West Bloomfield. An honor student, she maintained an impressive 4.18 GPA, ranking her in the top 5% of her graduating class. She played both varsity tennis and varsity basketball. In her off-court life, Alex is an accomplished pianist and music composer. She has been very active in community service programs (assisting at food

banks and senior homes); which has given her compassion and appreciation for others.

Alex was our 2012 Female Hoxie Memorial Award Recipient.

Alex is currently attending Cornell University and studying neuro-science. She is also a member of **their Division I Women's Intercollegiate Tennis Team.**

ANDREEA MITRACHE

Andreea picked up tennis at age 13, much later than many of her peers. She admits to being nervous and inexperienced due to her late start and lack of confidence in her game. She continued to persevere and by the age of 14, she was winning tournaments and was soon competing in Midwest and National events. Along the way, she received numerous sportsmanship awards as well.

This drive and determination led to **what she calls her "greatest achievement"** – signing with Wayne State University.

Andreea was an academic stand-out at Warren's Cousino High School, graduating 8th in her class with a 4.397 GPA. During all four years of high school, she tutored elementary and middle school students several days per week. As a member of the National Honor Society she was always involved in doing things for the community, and was honored for going above and beyond the required community service hours.

Andreea is pursuing a Bachelor of Science degree at Wayne State University with the hope of one day becoming a physician.
