## New Rules for District Qualifiers Help Ensure Competitive Play at the Midwest Outdoor Closed

The District Junior Qualifier tournament results across the Midwest Section are used to advance players into the Midwest Closed Outdoor Championships held in June. In an effort to have better quality play at the Midwest Outdoor Closed, the Midwest Section Junior Competitive Pathway Committee has come up with the first step to achieve this result. While Southeastern Michigan is one of the largest Districts in the Midwest with plenty of high caliber players, other Districts vary in size and number of competitive junior players. The number of Quota spot (guaranteed entry) players per District is derived from each District's percentage of USTA Jr. Membership population. Before 2015, Midwest Closed draw sizes of 128 had 120 players "endorsed" by their District, leaving an additional 8 spots open for each division, who were chosen off the most current Midwest Standing List at the time of deadline (after all District Qualifiers and Cup Team events were completed). This process resulted in draws that were not populated by the top players of the Midwest Section, and included both low Standing List position players gaining entry and high Standing List position players not getting into the event. There were various plans proposed, but ultimately the one that succeeded was a District Quota total of 102 players, which left 26 players in each division being chosen from the most current Midwest Standing List at the time of deadline. This new rule will result in Southeast Michigan receiving twelve (12) Quota Spots in each division, which will be derived from the Quarterfinalists in both the main and consolation draw of our District Junior Qualifier. All other players who play and complete the Southeast Michigan Qualifier (and win at least one match) will be endorsed as Alternates into the Midwest Closed outdoor Championships in order of their Standing Position on the Midwest Section Standing List published after the last weekend of all District Qualifiers.

Other new procedures include a Play and Complete requirement and the forfeiture of any Quota spot from a player not able to advance to the Midwest Outdoor Closed. In prior years, a District was able to substitute their next Standing List player into one of their abandoned Quota positions. This year, a District will lose their abandoned Quota Spot and it will return to the "Midwest Pool" where it will be filled with an additional player chosen off the Midwest Standing List. This procedure should ensure that the top Standing List players make it into the Outdoor Closed event.

The Midwest Committee has also put in place "Play and Complete" requirements that in the past were left to a District's discretion. Play and Complete means that no match (including any consolation draw matches) can end in a walkover or default; however, a retirement in the main will allow a player to compete in the Consolation Draw to fulfill their Play and Complete requirement. An Appeal process will be available for any player who entered the Southeast Michigan District Qualifier and did not play and complete all matches in order to be considered for endorsement into the Midwest Closed Outdoor Championship.

While all these rules and procedures are important for the top finishers of our District Qualifier to ensure they are not overlooked for advancement, our desire is to offer a great event for all players. Deadline for our Qualifier (see page 3) is fast approaching. Don't miss your opportunity to play against Southeast Michigan finest!

## 2015 Southeast Michigan Points Per Round for Juniors

Points are accrued by a player depending on what round they achieve in any tournament. The level of the tournament determines the amount of points accrued (referred to as the "weight" of the tournament). "Byes" do not qualify as wins; however, defaults, retirements, walkovers and withdrawals do (for the advancing player). Please note that tournaments carry different "weights" at the Section level (i.e. a District Level 4 Tournament is a Midwest Section Level 5 Tournament) and have a different Point Table (refer to the Midwest Section Point Table at right).

### Southeast Michigan Singles Ranking

A player must play and complete the Southeast Michigan Muthig District Qualifier or two Southeast Michigan District sanctioned tournaments in order to be considered for a final year-end District Ranking. A player's final ranking will be based on the best 6 tournaments in a specific age group from Jan. 1-Dec. 31st. A player must have earned a minimum of 32 points in an age division in order to be included in the Southeast Michigan District Final Rankings (eligibility requirements must be met).

**Standing List:** A standing list is a tentative strength listing of players including match results from the previous 12 months. A player must earn 8 points in an age division in order to appear on the Southeastern Michigan Standing List. A player's best 6 tournaments will be used. Matches played in a player's actual age division as well as any higher age division(s) will be included in the calculation of the Standings. The Standing List is a rolling calendar (today, back 364 days).

## 10 & Under Tennis: High Performance Orange Ball Camps to Aid in Talent Identification Southeast Michigan Facility & Tennis Pro Chosen for State Pilot

Early Development Camps (EDCs) are the next step to recruit and retain our most promising young "orange ball" athletes, ages 6 to 10. Successful EDCs located throughout the country will help grow the talent pool of junior players and create a new wave of world-class tennis professionals in the years to come. EDCs have a limited number of participants (24), a low pro/player ratio (4:1), and are chosen based on player results at the EDC Combine that include Athletic Skills and Technical Development.

**USTA EARLY DEVELOPMENT  
TRAINING CENTER**

The EDC series is for Orange level players only. If your development pathway shows that you are on a different level than Orange (above or below), then you will not be considered for selection into EDCs. Once a player gets selected, he/she needs to commit to attend all four EDC Camps and stay at the Orange level until completion of the last camp.

The USTA/Midwest Section has announced five locations for the inaugural year of the Early Development Camps (one in each of the five Midwest Section States). We are very pleased to announce that LifeTime Fitness Rochester was chosen as the State of Michigan's EDC location and LifeTime Fitness Teaching Pro Nick Petrick, as lead Coach.

The 2015 Early Development Camps will be made up of a progression of themes and after attending all four camps, the program should prove to be extremely beneficial for you and your child. The same group of players will attend all four high-performance camps. The camp themes for the players, parents and coaches will be as follows:

- The Expert Rallyer - Learning and Respecting the Game/Why 10 & Under?/ Linking Athletic Development to the Technical Development of the Groundstroke.
- The Solid Server & Ridiculous Returner - What does it Mean to Compete?/The Importance of the Role of the Parent and Coach/ Linking Athletic Development and the Technical Development of the Serve and Return
- The Net Dominator - What are the Mechanics of Being a Competitor?/Introduction to Training & Competition/Linking Athletic Development to the Transition Game
- The All Court Player – Preparing for the Next Court/Moving to the Next Court and the Potential Challenges/Linking Athletic Development to the All Court Player

### **The EDC Player Identification "COMBINE" - August 1st Noon-3pm at LifeTime Fitness—Rochester**

**TO REGISTER, VISIT OUR WEBSITE ([www.semich.usta.com](http://www.semich.usta.com)) UNDER "10 & UNDER TENNIS" TODAY!**

The combine is completely FREE to attend and will be a fun 3 hours of athletic and tennis skill development & testing! *Registering for the Combine does not guarantee that the player will get selected for the camp, but will let us know that you are interested in participating.*

## Our 2014-15 Jr. Team Tennis Indoor Season comes to an exciting finish, with come from behind wins and competitive play!

It's always our pleasure to meet the great young players who participate in our Jr. Team Tennis Program, and this year's District Championships were no exception! Two great weekends of play—18U March 7 & 8th at Wimbledon Racquet Club and the 14U Teams March 21 & 22nd at The Chippewa Club—provided good competition and great fun! The 12U Intermediate teams were so evenly matched, play continued late into the night to determine a winner and our 14U Intermediate Champion team snatched victory from the jaws of defeat by an amazing back-against-the-wall win to upset our 2014 District Championship team. Congratulations to all the players, parents and coaches that participate week-in and week-out to make our program one of the best in the nation! Watch the results from Midwest Championships in August in our next issue of the Court Reporter!

## State and District Combo Doubles Champions

Squeezing in our District Combo Doubles Championships in the indoor months is always a challenge, especially when we host State Championships as well. Our best option is to divide and conquer, using three different facilities over three separate weekends to get the job done! Thank you to LifeTime Fitness, Bloomfield Tennis and Dearborn Racquet & Health for allowing us to rent their facilities. And a huge thank you to all the Captains and players who participate in Combo Doubles!

## Southeast Michigan's Tom Gray nominated for the first USTA League Volunteer Award!

The Southeast Michigan District is proud to announce the selection of Tom Gray as the USTA/Midwest Section's nominee for the USTA League Volunteer Award. "Tom has gone above and beyond in his promotion and support of USTA Leagues at the District, Section and National levels. He has spent countless volunteer hours in helping making the USTA League Program fair, structured and player-friendly; sometimes going against the grain for the greater good of the League Program."

The National Award Recipient will be selected in the upcoming months and the USTA League Volunteer Award will be awarded in New York at the USTA Semi Annual Meeting.

Tom is Director of Tennis at LifeTime Fitness in Rochester as well as being the Chairman of our League Tennis Committee.

Please join us in congratulating Tom!

## Local USTA Tennis On Campus Club Team Competes at Nationals!

Congratulations to the University of Michigan Tennis on Campus Team on another great year! After placing second in the USTA Tennis On Campus Midwest Championships, the team traveled to Cary, North Carolina on April 9th to the USTA Tennis On Campus National Championships. 64 teams from all over the country competed in the event, where UofM was 3-0 in group play, making it to the Gold Bracket, but falling to UCLA to place 11th overall (University of California Berkley claimed the National title for the second year). Rostered players include some of our former junior SEMTA Players: Elaine Apaza, Natasha Dabrowski, Mollie Fox, Alex Gruskin, Arthur Ozga and Max Rothman.

*USTA Tennis On Campus is designed to provide college students with a host of opportunities for team camaraderie, social networking and unrivaled competition through tennis—without the demands of a varsity program. The fun co-ed format is designed to accommodate all levels of play, and the top teams can compete for Regional and National Championships. Tennis On Campus helps students maintain active and healthy lifestyles through their college years and helps them to stay connected to the lifetime sport of tennis.*

**Travis Pointe would like to congratulate JJ Tracy for his recent success!**

12 and Under Ranking

- 12th in the Country
- 7th in the Midwest
- 3rd in the State

A year ago when Tom Moore and his assistants at Travis Pointe started working with JJ, he was ranked 170th in the country. Now, JJ is ranked 12th in the country. The past year Tom has taught JJ to hit a high heavy ball, a low heavy ball and has perfected JJ's tactics. The focus was to improve upon any technical deficiencies and the results have been phenomenal.

*"I teach technique based on the top 5 players in the world. Do you ever wonder why you don't hit a ball like the pros? Maybe it's because you haven't been taught their techniques. I also teach tactics that the pros would use and the 'proof is in the pudding'. It has worked for our whole club, not just among our junior players. Our Ladies teams are all in first or second place and we have had a number of players that have moved up their player ranking."*

## Southeast Michigan's Tennis Achievements Honored at our 2014 District Awards Banquet

Last November at our Annual Awards Banquet, our District took time to acknowledge some of our young players and adults who exemplify the good in tennis.

### THE HOXIE AWARD

*The Jean and Jerry Hoxie Memorial Award is given to a young male and female tennis player in Southeast Michigan who has made a great contribution to the game of tennis through their good sportsmanship and achievements both on and off the tennis court.*

#### 2014 Female Hoxie Award Recipient: SOPHIA ABELSON

Sophia started her athletic career playing golf at the age of 2. By age 8, she won the Michigan State Championships 3 years in a row and finished 26th at the World Championships. At age 5, Sophia was introduced to tennis and immediately fell in love with the sport where her ability became quickly evident. When she was 10, she finished 3rd at the Little Mo tournament. Although Sophia enjoyed success at both golf and tennis, by the age of 10, she convinced her parents to concentrate solely on tennis. Over the next few years, she won a Midwest Designated singles title, a National Open doubles, placed 3rd at the Midwest Closed, and finished her last year of 12s ranked #1 in the Midwest and #18 Nationally.

Just when things were coming together so nicely, Sophia developed the first of three stress fractures in her tibia. Shortly after returning from these injuries, she tore ligaments in her wrist and fractured her other tibia. Sophia missed most of her first year of 14s. Once healthy, Sophia won three more National Open doubles tournaments, finished fourth in doubles in a National Hard Court tournament and was a finalist in singles in a National Open and National Regional.

As passionate as Sophia is about tennis, she has always understood the value of a good education and giving back to the community. Home schooled, Sophia holds a 4.5 GPA, has taken 6 AP classes, 5 honor classes and is a member of the National Honor Society. In addition, she volunteered at multiple fundraising events for breast cancer, volunteered as a camp counselor and a tutor, held bake sales for Alzheimer's research, and drove senior citizens to various appointments. Through discipline, structure, and a big heart, Sophia has been able to uphold lofty academic goals while positively impacting the community.

A four-star recruit, Sophia has committed to play tennis and attend Xavier College in the fall, with a desire to pursue a Law degree. Sophia likes to cook, play golf and hang out with friends in her spare time.

Award was presented by Sophia's private coach, Steve Herdoiza (former Hoxie winner) and trainer Peter Necajevs.

#### 2014 Male Hoxie Award Recipient: TIMOTHY WANG

Tim started playing tennis at the age of 8, and by 12 had become one of our top Southeast Michigan players (participating on our 12s District Cup Team). After capturing a Midwest Designated title, he won 3 more prestigious titles with the Court One Memorial Day Championship (18s), the Midwest Outdoor Closed (16s), and the first of two straight High School State Championships at #1 Singles in Division 1. In 2014, Tim was our Muthig District Qualifier

Champion and ranked #1 in Southeast Michigan. Named co-captain of his high school team, Tim captured his second state title at #1 Singles in Division 1, and led his team to its first state title in school history. Tim also earned a place on the High School All American Team for the past two seasons.

He is a 4-time Michigan High School Tennis Coaches Association All State Player named "Mr. Tennis" with an impressive 2014 HS record of 108-14.

Off the court, Tim was the District Chess Champion in 2005 and was voted student council class president his sophomore year. He scored an impressive 2290 on the SAT Collegiate Entrance Exam and is a 2015 National Merit Semifinalist ranking him among the top 1% of high school seniors in the nation. He holds a 3.98 GPA at Novi High School landing him in the top 10% of his class. He has taken 11 AP, IB, and honors courses and also explored his future career interests by taking business electives.

Outside his academics, Tim volunteers with the Novi High School girl's tennis team while also serving as a mentor and hitting partner with the Sports Club West Bloomfield junior tennis program.

A four star recruit, Tim has committed to Columbia University where he will play tennis and study economics. Tim has an older sister Jenny and currently lives in Novi where he likes to read, listen to music and spend time with friends.

Award was presented by Armand Molino.

## WILLIAM F BEYER AWARD

*The William F. Beyer Award (named after one of the first SEMTA presidents) is given to an individual who has contributed immeasurably and unselfishly to tennis.*

### 2014 Beyer Award Recipient: SEMTA Past President MEL KROPKO

Mel Kropko was born and raised in Akron, Ohio where at the age of 24 he was introduced to the sport of tennis by his younger, college-age brother. His father taught his brother how to play and the unorthodox skills his brother passed along were enough for them to win tournaments together during his days in Ohio.

A 1972 graduate of the University of Akron with a degree in microbiology, Mel moved to Ann Arbor in 1979 to head up a new lab at Parke Davis (which later became Pfizer) and earned his Masters in microbiology from Eastern Michigan University in 1994. He is now the Director of Clinical Operations at INC Research, a global research organization. All the while, his passion for tennis remained strong. Not only did Mel enjoy playing, he became a USTA verifier and also received his PTR certification.

In 1998, Mel embarked on another on-court activity – officiating. Not only was he a roving umpire, he soon became the District Chairperson of Officials, conducting training classes for new and returning umpires at the USTA and ITA levels. In 2003, Mel became a Delegate on the SEMTA Board, Treasurer in 2006, Secretary in 2008, Vice President in 2010 and President in 2012. His strong conflict-resolution and negotiating skills have been instrumental in our District's high standards of fairness both on and off the court.

In 1990, Mel took on the task of building (by hand) a clay court in his backyard with 22 of his close friends where he not only plays, but gives lessons and teaches chair umpiring.

In his spare time Mel is always on the lookout for adding to his vintage Porsche collection. He and his wife, Beth (an avid tennis player also) and two sheep dogs enjoy spending time in Naples, Florida where they can always be found on the court.

Award was presented by our Executive Director, Zori Duda.

## DARLEE TOWLER AWARD

*The Darlee Towler Memorial Award is given to a USTA League player in the Southeast Michigan District who best reflects the qualities that Darlee exhibited as a captain, player and supporter of the USTA League program: honesty, sincerity, loyalty, good sportsmanship and leadership with a commitment to growing tennis.*

### 2014 Towler Memorial Award Recipient: USTA League Captain, THEODORE "Ted" BRASSFIELD

A native Detroit, Ted was 14 when he and his best friend decided to "play" tennis. They bought some cheap racquets and headed to a neighborhood cement court and used a rope hanging between two poles as a net. They copied the rules and scoring from what they saw on television and found that they enjoyed the exercise and were having fun. To this day, Ted continues to play for the fun he has with people and the great exercise. He loves the sport and it keeps him young.

Ted has been playing USTA Adult Leagues in Southeast Michigan since 2002, and has been a captain since 2012. Ted is described as a captain who solicits new players into the game and welcomes everyone. Organizing a variety of teams (8.0 mixed doubles in 18 & Over and 40 & Over, as well as and winter Combo Doubles), Ted is described as a great team leader with no harsh words for anyone.

Ted spends countless hours organizing a mixed doubles group at the Beverly Hills Club that has grown to a consistent group of 32 players a week in four years time. By his peers, Ted is known to be a great ambassador for USTA and the sport of tennis. He is a great competitor, who understands that tennis is also supposed to be fun and does his best to make sure everyone around him is enjoying themselves as well.

Ted has a Bachelors of Science degree in Electrical Engineering from Michigan State University. He worked for AT&T for 30 years, is a certified Life Coach and the author of The Law of Attraction Workbook. Ted uses his education and corporate experience to plan, organize and attract many tennis enthusiasts to participate in tennis for fun, exercise and competition. Ted currently lives in Beverly Hills and enjoys playing the guitar and volunteering at places such as Haven and Gleaners in his spare time.

Award was presented by Deb Thallman, Southeast Michigan District League Coordinator.

## BERT & JUNE KASPERS SCHOLARSHIP

*In 1989, Bert and his wife, June, created a scholarship fund to provide financial assistance to graduating high school seniors who play USTA tennis in Southeast Michigan, for their college tuition and expenses.*

### 2014 Kaspers' Scholarship Recipients:

#### MOLLIE FOX

Mollie began tennis at the tender age of seven. Though her success on the court is now well documented, it did not come easily to her in the early years. Many hours of practice, determination and a positive spirit provided the spark needed for her later rewards. Her small stature also worked against her, but she never gave up. A growth spurt in her sophomore year of high school buoyed not only her size but her confidence as well. By graduation, she was ranked 4th in the SEMTA District.

Her favorite tennis memory was winning the state title junior year. "It was incredible after putting in so many years of training and hard work. More than winning, it was unbelievable the support I had from not only my own school, but all of the others as well. A lot of the girls were people I have competed against since I was young, yet through competition, they became some of my closest friends", said Mollie. She has said that having the opportunity to represent her school and capture a State Championship while being supported by so many people is by far her most treasured tennis memory.

Mollie was also solid academically at Bloomfield Hills High School. She graduated with a 3.98 GPA which she managed to accomplish while volunteering at Gleaner's Food Bank, the Humane Society and tutoring middle school students.

Mollie was our 2013 Hoxie Memorial Award Recipient.

Today, Mollie is pursuing a Bachelor's degree at the University of Michigan majoring in English and Political Science.

#### KERRY HU

For Kerry, tennis and academics are both important pieces of the total picture. She challenged herself academically and not only achieved a 3.78 GPA, but did so while completing 11 AP classes, being named a National Merit Finalist and scoring in the 99th percentile on the ACT exam. She excelled in tennis as well and won numerous sportsmanship awards during her career.

She played on the Bloomfield Hills High School varsity tennis team and served as the captain in both her junior and senior years. In addition, Kerry was active in the Asian Student Alliance, Robotics and Quiz Bowl teams at her high school. She has tutored after school and worked for Kumon, as well.

Her greatest achievement in tennis would be making the round of 16 in the Midwest closed before losing to a top 10 seeded player in a very tight match. "It was amazing not only because I surpassed everyone's expectations, but also because I played some of my best tennis", Kerry said. She also remembers when she won the first 3 points of a set tiebreaker in the Midwest Closed. "I thought it was a big deal because it gave me a good lead and I ran around the court waving my arms in the air, leaving my opponent to question aloud what I was doing."

Kerry is currently attending the University of Michigan and she is majoring in Business/Economics.

#### ROHAN SINHA

Rohan is a very well rounded young man. His experience with tennis, managing practice time, tournaments, etc. helped to develop sound time-management skills that enabled him to be active in many different endeavors. In addition to being captain of the newly merged Bloomfield Hills High School tennis team, Rohan received his USTA QuickStart certification and became head of the youth tennis department at Forest

Lake Country Club. In addition to his tennis achievements, Rohan founded his own organization MoneyOne during his sophomore year with the intent to educate youth about financial awareness.

His favorite tennis memory would undoubtedly be his entire senior year of high school tennis. Rohan said, "Being captain for the first ever Bloomfield Hills High School tennis team and being a part of the consolidation of two rival schools was a truly exciting and rewarding experience." Even with the challenge of being captain for a newly formed tennis team, Rohan helped his team to sixth place in the Division 1 state finals.

While attending Bloomfield Hills High School, Rohan maintained an impressive 4.0 GPA, ranking him in the top 1% of his graduating class. He was also one of three students in Michigan chosen as a United States Presidential Scholar by the Department of Education. Rohan's athletic abilities also extended to him playing on the high school varsity lacrosse team.

Rohan is currently attending University of Michigan in the prestigious Ross School of Business. He is hoping to play club tennis while there.
